

Tower Mart Gas Stations

Client: Tower Energy Group

Clearlake Oaks, CA

6,000 to 8,000 Sq Ft
Discount Markets
Raze & Rebuild
6-8 MPD's

ARC Inc. Architects has developed a close relationship over the years with Tower Energy Group in helping them to transform over a dozen dilapidated locations. The sites all feature larger than typical retail market space - 6,000 to 8,000 square feet - in more mature neighborhoods. Our challenge was to create designs that complemented, not dominated their eclectic environments. Our designs have helped to revitalize not only the stores, but the surrounding areas.
